

FSC Policy Statement

Here at Geddes Packaging we understand how important it is becoming to ensure that there is a greener future for all. Packaging goods that are manufactured at Geddes Packaging, and then supplied to our customers, will contain material that would have been sourced from forest products.

Therefore, we aim to abide by the Forest Stewardship Council's mission which is to promote environmentally sound, socially beneficial and economically prosperous management of the world's forests, whilst also meeting needs of forest products without compromising the health of the world's forests for future generations.

Although Geddes Packaging are not FSC Certified we can guarantee that all of our current suppliers hold an FSC Certification ensuring that wood and paper products originated from an FSC-certified forest. This ensures that the products Geddes supply to our customers will have been sourced in line with the Forest Stewardship Council standards.

All potential future suppliers to Geddes will be vetted in accordance to our ISO 9001 : 2018 standard verifying that they hold a FSC Certificate

FSC Certificate's of suppliers to Geddes Packaging are available upon request.
